Edge case identification

# Gemini Project

What we did

IRL integration in ESMINI

Build a Python Framework

Results / Problems / Improvements

# Gemini Project

Original Intention

IRL integration in ESMINI

Build a Python **Framework**

Modular /  
Extensible

Understandable

Results / Problems / Improvements

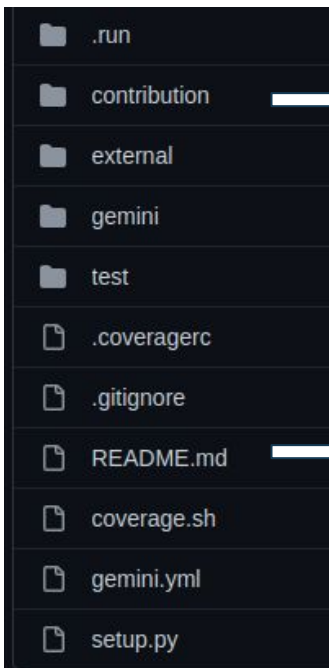

# Gemini Project

How to start

[Gemini Project](#)

CONTRIBUTION.md  
(documentation)

Installation instructions (works on Linux)

# Gemini Project

## Legend

**This is a class (you can search it in the code)**

Dashed means not created in Gemini

This is a concept
